Dear Parent or Guardian,

Hello! My name is Haley Barnes and I am your child's student teacher for Physical Education in Mrs. Foley's class. Our semester has already gotten off to a great start, and I am enjoying my time in Tecumseh schools. As a part of my associate teaching experience, I am required to build a professional portfolio that displays the work I am and will be doing with my students at Tecumseh Middle School. This portfolio will be used in my job search following graduation, possibly in interviews or just to represent myself professionally.

In order to add to my professional portfolio, I would like to be able to use photos and videos from my associate teaching experience. This would allow me to document my progress from the beginning to the end of my time in your son or daughter's class. These photos will not be used for any purpose other than to build my professional foundation. They will not be used on any media outlet other than my online portfolio, the link to which I have provided in this letter. If you do NOT want your child to be featured in any photographs or videos on my portfolio website, please sign the agreement below and have your child return it to me during class.

Looking forward to a wonderful semester,

Ms. Haley Barnes
